

Clubs allowed for the Old Hickory Invitational for 2009:

All clubs used in the Old Hickory Invitational must have wooden shafts and have been manufactured prior to 1933.

Each player is responsible for the authenticity of his clubs. Questions regarding a club's suitability must be addressed during check-in prior to play.

There will be an inspection of clubs during play.

An illegal club will result in the disqualification of the team. In addition, all team members are ineligible for individual honors.

To make sure all captains of each team have read these rules, you must sign this sheet and return it with your entry.

If you have any questions please contact Brian Stange P.G.A. Professional.

Thank you
