

JACKSON HIGH SCHOOL

Class of 1963

February 2005

Dear Classmate:

Each of us has made it through a number of life-defining events since we graduated high school together over forty years ago. One significant milestone that we share has recently passed or is imminent. That, of course, is our 60th birthday.

Your Reunion Committee considered a number of ways to recognize this milestone and has decided on a birthday party to be held in Orlando FL this fall. This letter is your invitation to join us there for a collective celebration.

In November 2004, classmate Jane (Nielson) Olson, a long-time resident of the Orlando area, gave us thorough presentation on the accommodations and activities. We decided that the Hilton Garden Inn Orlando at Sea World would be our headquarters. We will have a banquet on Saturday, October 22 at the hotel. The rest of the weekend is still in the planning stages but could include more opportunities for fun and fellowship at Disney World, Universal Studios, Sea World, theme restaurants, shows, golf courses, outlet malls and/or other unique attractions.

If you want to be included in further mailings about this event and accompanying activities, please return the enclosed postcard to receive details in another mailing that will come out this summer.

For those of you who may be ready now, Jane has negotiated a special rate for rooms during the period from Wednesday, October 19 through Tuesday, October 25. The price will be \$89 per night (around \$100 with taxes). Classmates can call toll-free to (866) 274-7182 and ask for "in house reservations." Once there, mention "Jackson High School" to get rooms in our block. If you want to arrive earlier or stay later than those dates, you can ask them to extend the special rate.

As we prepare for the event, there are three websites that will be of interest to you:

www.jhs63.org is the website for our class. Here you will find details and updates on the event.

www.hiltongardeninnorlando.com is the website for the hotel.

www.orlandoattractions.com is a website that contains information and links to local attractions.

Also enclosed with this invitation is a list of classmates for whom we don't have current addresses. If you know the whereabouts of any, please add the information you have at the bottom of the reply postcard. You may also wish to return the card if you have moved, added an email account or have some other change to report.

Hope to see you in Orlando in October!
